

LearnWell Virtual Teaching

LearnWell Virtual Teaching

- For nearly 25 years, LearnWell has specialized in providing home and hospital instruction.
- We understand this has been a challenging time for your school district for maintaining educational standards for your students.
- During the COVID-19 crisis, LearnWell will continue to support academic progress for homebound students who may not be able to engage in traditional online learning.

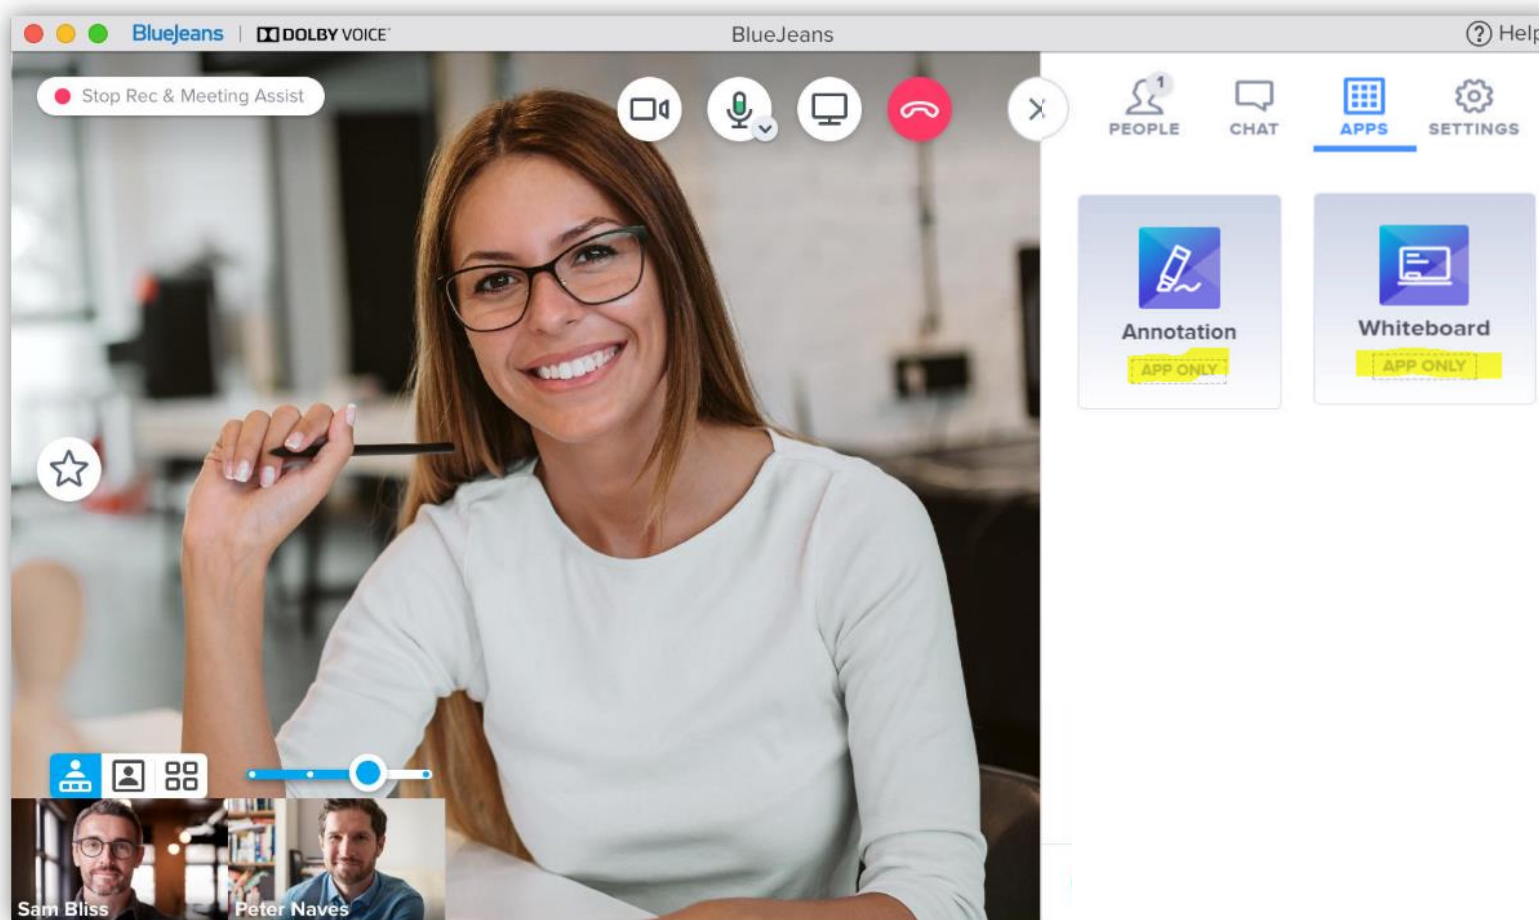

LearnWell Virtual Teaching

- Students can follow the same curriculum program as their classmates, tailored to meet individual academic, including IEP, and behavioral health needs.
- Receive individualized one-on-one instruction from instructors via BlueJeans video-conference technology.
- Quickly match students to provide continuity in learning
- LearnWell Virtual teaching tutors are available every weekday from 8 AM – 10 PM EDT.

BlueJeans Interface

- No download required
- Browser-based
(Recommend 1.5 Mbps internet speed)
- Live video with teacher
- Screenshare capabilities
- On-screen annotation

1. District chooses to implement “pay as you go” model or purchases block of instructional hours.
2. District submits an online request form for each student requiring instruction.
3. For each online student request form submitted, the LearnWell home instruction team will follow-up with both the parent and the district to review the process, schedule the student's consistent session time, and receive initial schoolwork.
4. LearnWell matches the student with an instructor according to their specific instructional needs.

Online student request form

Student Sessions

1. LearnWell teachers communicate with the local school district to obtain individualized student schoolwork.
2. If schoolwork is not available, LearnWell teachers deliver a 3-tier lesson to the student.
3. After each session, LearnWell teachers complete a session report to provide to the district.

Our Impact and Our Partners

23,000+

Students taught each year

200,000+

Annual hours of instruction

“LearnWell's Virtual Teaching offers our school more flexibility and options to get students what they need, and allows working families with odd hours to support their students.

LearnWell is professional, timely and very organized when it comes to tutoring services. They are always responsive and are willing to partner to solve difficult problems and are open to feedback.”

Director of Operations, Nationwide Charter Network
